

32nd Annual Neurorehabilitation Conference on
Traumatic Brain Injury, Stroke and Other Disorders

Faculty members have been asked to indicate whether or not they will discuss off-label use of products and/or whether or not they have a financial interest arrangement or affiliation with one or more commercial organizations that could be perceived as a real or apparent conflict of interest in context of the subject of their presentation. This information is disclosed so that an informed audience may formulate their own opinions as to any bias in the information presented.

COMMERCIAL SUPPORT

The conference was funded in part by Commercial Support provided in the form of education grants from Allergan and Medtronic.

CONTACT HOURS

Participants should claim only the hours attended in each session. Participants are encouraged to provide constructive feedback for all continuing education programs. Opportunities for this feedback are actualized in the following ways:

1. You will be asked to complete evaluation forms
2. Active learning is encouraged. Participants will be given the opportunity to ask questions during and/or after the learning activity
3. Continuing Education staff is available to receive your comments and suggestions.
